Hey Desean,

Laurie told me you are the attorney to work on the oil platform inspection report with us (Beth and me). I have attached the inspection report and would appreciate any comments you may have. I haven't yet collated all of the attachments, but I've added the most critical ones to understand the system and issue(s). If you are reading and want one of the attachments I haven't sent you, just let me know.

Also, I will be out of the office until April 11, but will be responsive (perhaps a bit slow) if you want to talk about the report before I get back.

Thanks,

W. Colby Tucker
